

# USA INTERNATIONAL HALAL TRAINING ON UPDATE OF HALAL REGULATION & HAS 23000 - BATCH 2

OCTOBER 11-14, 2021 @ 7 P.M. - 10 P.M. (CST)

## ABOUT TRAINING

The implementation of Halal Assurance System (HAS) is a pre-requisite program for obtaining halal certification from Indonesia and recommended for all IFANCA® Halal certified companies who are exporting products to Indonesia.

With this training companies will learn how to integrate HAS into their management system by understanding the Indonesian halal requirements.

This training is provided and conducted by INDONESIA HALAL TRAINING & EDUCATION CENTER (IHATEC) in collaboration with US HALAL ACADEMY (USHA), and supported by LPPOM MUI and IFANCA®

## MODULES

- Introduction of HAS & Halal Supervisor
- Halal Certification Process
- Update of Halal Regulation & Review
- Introduction of HAS Criteria (HAS 23000:1)
- 11 HAS Criteria (HAS 23000:1)
- Preparation, Implementation & Evaluation of HAS Documents

## AGENDA
