SAVE  
THE  
DATE

**JULY 26-29, 2021**  
**7PM-10PM (CST)**

## ABOUT TRAINING

The implementation of Halal Assurance System (HAS) is a pre-requisite program for obtaining halal certificate from MUI, and a requirement from IFANCA®.

Based on this policy, in order to get or to renew halal certification from MUI, and/or IFANCA, a company must implement HAS according to the scope of the company's production. This training is intended for all IFANCA Halal certified companies, and the companies which plan to apply for Halal Certification from IFANCA.
